Yesterday message from Craig ABRAMS
@ 1555 re Commr's 3 questions

- Any intel OPS has is what we have
& what POB has been providing
CSIS conflict - nothing new
- OPP @ preventing traffic points outside
of 'Red Zone'. No change in our posture.
- No plan to shut down 417/off ramps.
- They will be restructuring street access to
those streets that lead into the downtown
core. Similar to Canada Day.
